## *New Virginia Old Settlers Keeping It Alive for 125 1897-2022*

The 125th anniversary of the 1st New Virginia Old Settlers Reunion was a culmination of more than a year of planning, fundraising and numerous volunteer hours for three spectacular days of good weather, great talent, entertainment, dancing, competitions, arts & crafts, rides & slides, Bingo, yummy food and most important of all, spending time with our family & friends. It takes our whole community and surrounding area in conjunction with all of our organizations working together to make this event happen.

The car show and tractor/machinery shows were fine examples of how we can still embrace the past and cherish the present day. The car show only lacked one year of having items from the 1st year of 1897 to the present year of 2022. Among the 67 entries in the car show, Norville Huston had on display an 1898 horse drawn buggy, and Brent Baughman entered his 2022 Ram Rebel truck. The tractor machinery show on Sunday had a display from the Gerald Stuart family of horse drawn machinery, and other participants brought everything from older generation to modern day tractors. The kids had a great time on Sunday with the pedal tractor pull and were very excited to get medals and trophies for their winning efforts. Many also enjoyed the homemade ice cream made with the International Cub tractor and watching the tractor games by the tractor owners. A big thank you goes out to the Clarke County Old Iron Club and the SoCo Baggers for their help with the Sunday events.

I saw everything from the thrill of winning to the agony of defeat, but it was all in good fun, and we have already started making notes and plans for next year's New Virginia Old Settlers. A big thank you to my fellow New Virginia Old Settlers committee members, the City of New Virginia, those who supported our fundraisers and our community volunteers & organizations who came together to make this a very special New Virginia Old Settlers to remember.

Richard Gene Hatcher, son of James Elmer and Anna Marie Louise (Franz) Hatcher was born May 2, 1938 on the family farm in Virginia Township in Warren County, Iowa and passed from this life Sunday, July 3, 2022 at Mercy Hospital Medical Center in Des Moines, Iowa at 84 years of age.

Richard has been a lifetime resident of the New Virginia area. He attended Big Rock Country School before going to New Virginia Schools and graduated from New Virginia High School. Following graduation he served in the Army Reserves for 6 months, he then began working for the Norwalk-Cumming State Bank as a clerk and remained there, working his way to Vice-President, retiring in 2002. Richard was united in marriage to Mary Jean Keller on September 12, 1959 in New Virginia and they were blessed with two children, Lisa and Donald.

Richard was very supportive of the New Virginia Community, he was active with many functions and served as a trustee of the Virginia Manor. Richard was a member of the New Virginia United Methodist Church and was very involved with the building committee of the new church building. He enjoyed raising Angus Cattle and was a member of the Angus Association for several years. Family was Richard's most important joy, he attended all the functions and activities of his children, grandchildren and was now enjoying the activities of his great grandchildren. Richard was a loving husband, father, grandfather and great grandfather and will be greatly missed.

Those relatives who preceded Richard in death were his parents, James and Louise Hatcher, son-in-law, Van Brownlee, brothers, Ward Hatcher and Kenneth Hatcher and his wife Ida Mae, and brother-in-law Duane Felton.

Richard leaves to cherish his memory; wife of 62 years, Mary Hatcher of New Virginia, IA, daughter, Lisa Brownlee of St. Charles, IA, son, Donald (Tamela) Hatcher of New Virginia, IA, grandchildren, Tess (Dillan) Dwyer of Waukee, IA, Brody (Erin) Brownlee of Indianola, IA, Emily (Michael) Mason of Russell, IA, Miller Hatcher and fiancé Nicole of Norwalk, great grandchildren, Breck, Bentleigh, and Lakelynn, sister, Mary Ruth Felton of Johnston, IA as well as other relatives and many friends.

Funeral services were held at the New Virginia United Methodist Church, Monday July 11, 2022 at 10:30 am with Pastor Paul Burrow officiating. A live stream of the service is available at www.kalefuneralhome.com on Richard's tribute wall . Interment followed in the New Virginia Cemetery

Memorial contributions may be directed to New Virginia United Methodist Church, New Virginia Fire & Rescue, or organization of donors choice.

**ALL NEWS/COMMUNITY HAPPENINGS WELCOME**

We welcome anyone who would like to submit news items, points of interest or any other community happenings to be published in the paper. These items would be family gatherings, places you have been, or news items that have taken place. Please place these items in the black box located at the hen house or email them to tricorner@newvirginia.com. We will publish them in our paper.

**Council Meeting Minutes - City Of New Virginia**
**Council Meeting Minutes**
**July 5, 2022**

The Council met in regular session on Tuesday July 5th, 2022 at 7:00 p.m. for the July Council Meeting.

The meeting was called to order at 7:05 p.m. by Mayor Huston with Council Members Galivan, Nelson, Strange, Taylor and Truman present.

Minutes from the June council meeting and Treasurer's Report were approved.

**Old business discussed**: The pop machine at the community building in GAMP Park is now working.

Contact was made with City Attorney Robert Stuyvesant today, July 5th, regarding numerous questions the City has dating back to March 17, 2022. 1. City & Township Resolutions extending 28E Agreements for five years. The Resolutions were sent to the State for filing. Stuyvesant will look for the paperwork from the State regarding the Resolutions. 2. Distribution of New Virginia Area Development Corporation funds. The funds must go to organizations with a 501c3 status, organizations recognized by the IRS or to the City of New Virginia for distribution to organization that operate under the guidance of the City. 3. Ambulance billing rates. The Fire Department Ordinance will be amended by adding the new ambulance billing rates. 4. Alley closings. Stuyvesant just needs to know how the alleys are to be divided to the property owners adjacent to the alleys. 5. Illegal burning. Stuyvesant will look at other cities' ordinances for verbiage regarding illegal burning. 6. Justin Strange's City Council position. Strange must be a resident of the City of New Virginia to serve as a council member. Strange will have to resign from the City Council. He can verbally resign at this July 5th, 2022 council meeting.

Justin Strange verbally submitted his resignation from the City Council due to not living within the city limits. Strange's verbal resignation was accepted. Council member Chris Truman will replace Strange as having the authority to sign City checks and will be Mayor Pro-Tem.

**Citizen Input:** Vicki Morris contacted a Council Member to inquire if/when Church Street will be asphalted.

There is a concerned citizen regarding foxes roaming and/or living within the city limits and would like to have something done about it.

A concerned citizen was present and voiced a complaint about an individual living in the basement of the East Manor. The person was only supposed to be there for a 2 to 4 week period but it has been much longer than that. The individual is extremely noisy and is harassing other tenants. The citizen strongly voiced her concern that the person needs to vacate the building. It was discussed if the Manor Board has been made aware of the situation. It is unknown if the Board is aware. The Council recommended contacting Warren County Public Health.

The property at 300 Stansell Street has not been maintained this entire mowing season. A citizen in the neighborhood has mowed most of the yard at least five times and R & R Mowing Service has mowed the east ditch six times. An official letter from the City will be mailed to the property owner with pertinent sections of the Ordinance regarding maintaining and mowing yards.

There has been citizen complaints as well as complaints from the garbage man regarding the build-up of big items from tenants moving out of the apartment complex at 704 West Street. The garbage man cannot get to the dumpster to empty it. The owner of the apartment complex will be contacted regarding this matter.

A letter from a citizen regarding a concern with water ponding on the new basketball court was reviewed. The cuts in the concrete will be finished to the ends of each side of the concrete slab. Gravel will be placed around the posts of the basketball hoops to fill the voids. The ponding of water will be addressed by the contractor.

A citizen asked the Fire Chief if a fire truck could be used to fill a pool. This will not be allowed due to the potential of additives that have been placed in the fire truck tanks over time as well as potential rust sediment from the tanks.

**Water Utilities discussed:** The check for a possible water leak in the service line of the Baptist Church did not indicate a leak.

**Law Enforcement: –** There was not a report summary from the Sheriff's Office for the month of June available for review.

**Fire Department Business:** There was no new fire department business to discuss.

2021-22 fiscal year end expenses were reviewed.

**GAMP FINANCIAL UPDATE**
**July 5, 2022**

The cleaning position for the GAMP Community Building has been filled. We would also like to consider having a new sign made for GAMP near the entrance on West Street.

**NEW VIRGINIA PLAYGROUND COMMITTEE UPDATE**

No update on the bricks from the engraving company. John Allsup has the brick work around the sign started. We are still working with Dustin Reese at Ted Lare Building Inc. He has provided us with an idea for the memorial tree. Mike Bethards has poured the basketball court. The mulch has been spread out on the playground thanks to our many volunteers. Our account balance is $2700.82.

**KEEP IOWA BEAUTIFUL PROGRAM**

The account balance is $3022.41.

Truman moved, seconded by Taylor to approve payment of all City bills. A roll call vote was taken: 4 ayes, 0 nays. Motion carried.

With no further business to come forth, Nelson moved, seconded by Galivan to adjourn meeting. A roll call vote was taken: 4 ayes, 0 nays. Motion carried. Meeting adjourned at 9:35 p.m. The August council meeting is scheduled for Saturday August 6th, 2022 at 7:30 a.m. **August meeting date – Saturday August 6th, 2022 at 7:30 a.m.**

**Question: How can I alleviate chronic constipation for my baby naturally?**

That exhausted, "haven't slept in weeks look" is a hard one for parents to hide. There isn't enough Starbucks or sugar to keep a new parent energized when their infant or child is up all night struggling with stomach pain and chronic constipation. In the same way, many parents we meet with a child who is struggling with chronic constipation, report there isn't enough prune juice, probiotics, magnesium or MiraLAX out there to get things going for their youngster. The only thing they haven't tried is Pediatric Chiropractic care to help address their chronic constipation woes.

The definition of "chronic constipation" is infrequent bowel movements or difficulty passing stools that persists for several weeks or longer, with some children suffering for years. Generally, constipation is described as having less than three bowel movements per week. While occasional constipation is a more common health condition in kids, chronic constipation can significantly reduce the quality of life that a child is able to experience. Most of the time, children with this condition suffer from near-daily bouts of fatigue, malaise, nausea, exhaustion, emotional dysregulation and even focus or behavior problems.

Traditional signs and symptoms of chronic constipation include:

- Passing fewer than three stools a week
- Having lumpy, hard, difficult to pass stools
- Straining and feeling pain during bowel movements
- Feeling like there is a blockage or restriction in your rectum
- Needing help emptying the rectum

As with any digestive problem, the first place parents tend to turn is to diet and nutrition. Most parents, and even providers, assume that there are some foods that their child is allergic to or is intolerant (has difficulty digesting) of, so they're removed from the diet. Sometimes, it's these very nutrients and key physiological elements that the child is actually missing.

It's not uncommon for things like: gluten and dairy intolerance; insufficient fiber or magnesium; and even lack of probiotics and digestive enzymes that get the blame for chronic constipation. The fact of the matter is that more than 90 percent of the parents we meet whose children have chronic constipation have already tried every diet change, added magnesium and probiotics, tried essential oils, and more. But yet, their child still struggles.

The first role the nervous system plays in digestion is recognizing what nutrients are wanted and needed, and it assimilates and absorbs those. From there, it then also recognizes what are toxic and potentially harmful components of the food, and it eliminates and excretes those.

However, that final crucial step to digestive health and well-being can't happen if the neurological control of the smooth muscles that make up the digestive tract are interfered with and motility is slowed down or stopped altogether.

Chiropractic care adjusts the spine and relieves pressure on pinched or shifted nerves and opens up the pathway for the nerves to carry signals and information from the brain throughout the body and all of the organs.

Here at True Chiropractic, doctors are trained to look for the nutritional imbalances as well as the function of the nervous system. We'll help you find the root cause of your child's challenge and immediately formulate a care plan to help get both the nervous system and digestive system restored to full function and full health!

**In Years Past...** July 1, 1978

On Saturday evening, a summer storm hit New Virginia. Driving rain, hail and severe wind damaged and uprooted trees, including an 80-foot evergreen tree in Irvin Taylor's yard. Shingles were blown off of some houses, and power lines were down in some locations.

**Nomination for New Virginia Old Settlers Volunteer of the Year 2022**
**Deb Downing**

The person I am nominating for the New Virginia Old Settlers Volunteer of the Year goes above and beyond in everything she does and constantly puts her care for others before taking care of herself. She has worked with the New Virginia Youth group, taught Sunday school, played the organ and piano for church services and been a member of the United Methodist Women. She organized and has ran a very successful coat sale and give away every fall for many years to make sure everyone in the New Virginia area from children to adults have a warm coat to wear. She has volunteered with the non-essentials give away that helps to make sure area residents have hygiene and personal care items. She has worked at the Methodist Church garage sale to fundraise for several projects.

She has helped with 4-H and even has gone so far as making sure kids had sheep to show that came from her farm, making sure everyone's livestock made it to the fair and looked after kids while they were at the fair. While camping at the Iowa State Fair, she has carved out time to volunteer at the Red Cross first aid stations.

She has volunteered outside her community to help with school physicals at Des Moines Schools, helped with the Festival of Trees and taught CPR as a volunteer for 39 years. She has worked to provide music therapy at Homestead Assisted Living and Memory Care in Osceola and volunteered her medical expertise at a summer camp for foster kids.

She was instrumental in acquiring the first AED's for the Interstate 35 School to be sure students, athletes, teachers and patrons had lifesaving equipment close at hand. She and her sons also created the Dick Downing Memorial Scholarship to help students achieve their academic goals of furthering their education after graduation.

It is my honor and privilege to call this woman my friend, and I nominate Deb Downing for the New Virginia Old Settlers Volunteer of the Year.

### Register now for Master Gardener Training
### By Lisa Chensvold, Madison County Extension staff

Thinking about enrolling in Iowa's Master Gardener program? Now is the time! Registration is currently open for this exciting and science-based, educational program which is offered through Iowa State University Extension and Outreach. Iowa's Master Gardener program is offered in many counties, including Warren and Madison Counties. The program is open to individuals ages 16 and over who are interested in volunteering locally.

Both Warren and Madison Counties' Master Gardener volunteer roster is comprised of individuals of all ages who live in nearly every ZIP code throughout the area. They are dedicated to connecting others with educational programs about a variety of topics, such as animal ecology, composting, integrated pest management and floral arranging. For example, one group tends the raised vegetable garden beds behind Winterset Public Library. They provided samples of vegetables grown in those garden beds to children during "Touch A Truck Day" held earlier in June. These passionate volunteers can be found in many venues: providing education at local events, caring for projects (like the flower garden around the Jackson Building), or researching and writing materials in local publications.

The first step to become a Master Gardener is applying for the program. Registration can be completed online at https://go.iastate.edu/NNCT4Y or by stopping at your local ISU County Extension office. The Madison County Extension office is located at 117 N. John Wayne Dr., Winterset. The next step is completing the course as a Master Gardener Trainee. This year's course is hybrid, which means participants will complete coursework online (instructional videos and quizzes), then attend at least four in-person educational field trips at locations throughout the area. Each person must pass a comprehensive exam at the course conclusion.

Apply to become a Warren County or Madison County Master Gardener. This program provides science-based, educational opportunities. Master Gardening connects people to a community of like-minded people. It is also a great way to develop cohesive relationships within the Warren and Madison County communities.

NEW VIRGINIA LIBRARY SUMMER READING

The New Virginia Library has been having fun this summer by "Reading Beyond the Beaten Path." Our Summer Reading Camp started on June 1 and will be ending on July 30.

So far, we have had the Grout Museum from Waterloo come to our library and show us what happens when things get really cold, and we had ice cream. Then the Blank Park Zoo visited us and brought their friends, Ozzie the Opossum and Bert the Tortoise, which was really fun, and we learned a lot about animals and nature. We will, also, have Warren County Conservation come in and tell us about nature and animals. On June 29, we will be hosting the IPTV STEAM Trailer all day. It is filled with activities that we can explore and play with that are centered around science, technology, engineering, art and math! Also, on Tuesday nights we will be watching a new movie every week and doing a fun activity. We have already made lanterns, but we will, also, be making crowns, scratch art and paper flowers, and that is just what we will be doing in June!

July is filled with more activities and programs. We will continue to have our Tuesday movie nights, and the 4-H club is coming and reading a story with us! Warren County Extension will be here on July 6th, and they always bring fun things to do! On the last Wednesday of July, we will have the Summer Reading Train stop by and read us a story, and everyone gets to ride the train!

For more information on our programs and activities, you can visit our website at www.newvirginia.lib.ia.us or like us on Facebook! We hope to see you soon at the library!

## 2022 King and Queen Leonard & Deann Strange

Leonard and Deann Strange were married in 1980. Leonard is the son of Elmer (Huck) and Helen Strange. Deann is the daughter of Jim Reed and Marilyn Reed. They have two children Justin Strange and Tiffany Bortell. They also have six grandchildren, Laura, Keegan and Kelsey Strange, Tara Johnson, Kloey and Quinn Bortell. Leonard and Deann live on an acreage that was part of the Marvin and Ruth Reed farm just west of New Virginia. They are lucky to have all of their family from parents to grandchildren living in New Virginia.

Leonard lived in Carbondale, Iowa until he was 4 years old and then moved to the family farm northwest of New Virginia. He is a master electrician and specializes in commercial seed burner installation, controls and troubleshooting. He has worked in many seed plants across the Midwest and also Hawaii, Mexico and Puerto Rico. Leonard loves being a dad and a papa and cherishes the time he spends with his family. He really likes his cars and is an avid Mopar man. Leonard is a member of Neophyte lodge #301 and volunteers for New Virginia Old Settlers, the Interstate 35 Intensity Dance team, putting up flags and anything else Deann talks him into.

Deann has lived in New Virginia her entire life, and her ancestors settled here in New Virginia in the 1840's. She works at Interstate 35 School as a secretary for the secondary office and lunch department and is a coach for the I-35 Intensity Dance Team. Deann loves spending time with her kids and being Mamaw to the grandchildren. Deann likes to dance with Tiffany's Star Dancers in the adult clogging class, crochet projects to enter in the state fair and camp at the Iowa State Fair with her grandchildren. Deann is the President of New Virginia Old Settlers, helps with the Tri-Corner-Express and helps put up the flags in New Virginia.

Leonard and Deann love the town and people of New Virginia and know that when you give of yourself you receive so much more back from this wonderful community of family and friends

2022 New Virginia Old Settlers Bill Riley Talent Search Results

We had a very good turnout for the Bill Riley Talent Search with eight sprout acts (ages 2-12) and seven senior acts (ages 13-21). The contestants all did a great job with their talent and made the competition very close and challenging for the judges to pick the winners, as there can be no ties. The wide variety of talent made for a very entertaining program by these very talented contestants.

**Sprout division winners**

1st place-Jordyn Myers, age 10, Creston, acrobatic dance solo

2nd place-Elizabeth Chapman, age 10, Winterset, acrobatic dance solo

3rd place-Kloey Bortell, age 9, New Virginia, lyrical dance solo

**Senior division winners**

1st place-David Negley, age 17, Winterset, vocal solo

2nd place-Abigail Bortner, age 18, St. Charles, lyrical dance solo

3rd place- Kyla Cass, age 18 and Hannah Wisniewski, age 18, Osceola, clogging dance duet

Jordyn Myers in the sprout division had not previously qualified at another show, so she will represent the New Virginia talent show at the Iowa State Fair Bill Riley Talent Search. David Negley of the senior division had already qualified for the Iowa State Fair, so Abigail Bortner will represent the New Virginia talent show at the Iowa State Fair Bill Riley Talent Search.

Places We've Never Been

Old Settlers Day is July 16th
The library will remain open until 3 o'clock. We will have a chalk drawing activity for kids starting at 1 o'clock. There will also be freeze pops for refreshments. Come into the library to find a good book and cool down.

We have many great books for sale with great prices that have been retired from the library. Come in and browse around and see what we have. We have recently added many more books. Authors include John Grisham, Tom Clancy, and James Patterson.

International Day of Friendship

Did you know July 30th is the International Day of Friendship? We have Great books on this subject including the following:
The Healing Quilt by Lorraine Snelling - After her Aunt Teza's test results turn out to be inconclusive, Dot Cooper resolves to raise money for a new mammogram machine, through the creation and auction of a magnificent, king-sized quilt to be sewn by the women of Jefferson City.
Friends Forever, A novel by Danielle Steele. Five children meet on the first day of kindergarten. In the years that follow, they become friends and more than friends.
The Book of Lost Friends, a novel by Lisa Wingate - Lisa brings to life stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as freed slaves desperately searched for loved ones who had been sold off.
Best Friends Forever by Jennifer Weiner- This is a grand, hilarious, edge- of-your-seat adventure; a story about betrayal and loyalty, family history and small-town secrets. It's about living through tragedy, finding love where you least expect it, and the ties that keep best friends together.

The shelves are full of some wonderful books to take home for a price that cannot be beat!

Do you enjoy puzzles?
We have a large selection of puzzles for you to check out.

Quilt of Valor

We will be hanging a new quilt of valor on July 23rd at 10 o'clock to honor a local veteran, Joan Naylor. You are invited to attend the meet and greet with refreshments to follow.

"Food 'n Fun in the Park" was well attended. Madison County Cattlemen grilled up hamburgers, and sport demonstrations took place throughout the evening. The weather cooperated –sunny, but with a cooling breeze blowing through the shelter house and shady park.
The pickleball demonstration was well attended. Mary Austin, Kim Downs, Tammy Downs and Lois Stanley led the demo, giving a brief history of the sport. These ladies were smashing it, even without a fence to corral errant balls!
Later, community members were allowed to give pickleball a sporting try.
Eagle Scout Jordan Hartfield was on site to promote the Soaring Eagle Disc Golf Course installed in 2020 as Jordan's Eagle Scout Project. Jordan and his father, Ron Hartfield, explained the different discs used and demonstrated their skill.
Other activities enjoyed by park visitors included volleyball, badminton, tetherball, 4-square, and wiffleball.
With many grants and community donations, the new pickleball court and revived basketball court (honoring Jeff Young) will soon become a reality!

**Public Release for Schools Operating the National School Lunch and Breakfast Program**

The Iowa Department of Education, Bureau of Nutrition and Health Services, has finalized its policy for free and reduced price meals for children unable to pay the full price of meals served under the National School Lunch Program, School Breakfast Program, Special Milk Program and the Afterschool Care Snack Program.

State and Local school officials have adopted the following family size and income criteria for determining eligibility:

**INCOME ELIGIBILITY GUIDELINES**
**Effective 7-1-2022**

| For each additional family member add: | 6,136 | 512 | 256 | 236 | 118 | 8,732 | 728 | 364 | 336 | 168 |

Households may be eligible for free or reduced-price meal benefits one of four ways

1. Households whose income is at or below the levels shown are eligible for reduced price meals or free meals, if they complete an application for free and reduced price school meals/milk. Households may complete one application listing all children and return it to your child's school. When completing an application, only the last four digits of the social security number of the household's primary wage earner or another adult household member is needed.
2. Supplemental Nutrition Assistance Program (SNAP) households, children receiving benefits under the Family Investment Program (FIP) and children in a few specific Medicaid programs are eligible for free or reduced price meals. Most children from SNAP and FIP households will be qualified for free meals automatically. These households will receive a letter from their children's schools notifying them of their benefits. Households that receive a letter from the school need to do nothing more for their children to receive free or reduced price meals. No further application is necessary. If any children were not listed on the notice of eligibility, the household should contact the school to have free or reduced price meal benefits extended to them. If you feel you would qualify for free meal benefits and received notification qualifying for reduced price benefits, complete an application for free and reduced price meals. Households must contact the school if they choose to decline meal benefits.
3. Some SNAP and FIP households will receive a letter from the Department of Human Services (DHS) which will qualify the children listed on the letter for free meals. Parents must take this letter to the child's school to receive free meals.
4. SNAP or FIP households receiving benefits that do not receive a letter from DHS must complete an application with the abbreviated information as indicated on the application and instructions, for their children to receive free meals. When the application lists an assistance program's case number for any household member, eligibility for free benefits is extended to all children in a household.

Eligibility from the previous year will continue within the same school for up to 30 operating days into the new school year. When the carryover period ends, unless the household is notified that their children are directly certified or the household submits an application that is approved, the children must pay full price for school meals and the school will not send a reminder or a notice of expired eligibility. An application cannot be approved unless complete eligibility information is submitted. Applications may be submitted at any time during the year. If a family member becomes unemployed the family should contact the school to complete an application. Households notified of their children's eligibility must contact the school if the household chooses to decline the free meal benefits.

Foster children are eligible for free meal benefits. Some foster children will be qualified for free meals automatically through the state direct certification process. Their host family will receive notification of these benefits. Families that receive this notification from the school need to do nothing more for their foster children to receive free meals. If a family has foster children living with them and does not receive notification and wishes to apply for such meals, instructions for making application for such children are contained on the application form. A foster child may be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If the foster family is not eligible for free or reduced price meal benefits, it does not prevent a foster child from receiving benefits. Special Supplement Nutrition Program for Women, Infants, and Children (WIC) participants may be eligible for free or reduced price meals based on a completed application.

When known by the school, households will be notified of any child eligible for free meals if the children are enrolled in the Head Start/Even Start program or are considered homeless, migrant or runaway. If any children are not listed on the notice of eligibility, contact the school for assistance in receiving benefits. If households are dissatisfied with the application approval done by the officials, they may make a formal appeal either orally or in writing to the school's designated hearing official. The policy statement on file at the school contains an outline of the hearing procedure. School officials may verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable state and federal criminal statutes. Households should contact their local school for additional information.

There will be no discrimination against individuals with Limited English Proficiency (LEP) in the school meal programs.

**Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly.**

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

# Jesus' Right Hand

Some lessons learned in life are not quickly forgotten. Especially if these lessons are demonstrated in such a powerful way as the day I happened to overhear a prayer. Grace was a 96-year-old lady I was helping at the time. I was in her bedroom changing the linens when her noon time meal arrived. I could hear a little chit-chat between her and the driver and heard the door shut as he left. It was silent for a short time, and I heard her speak. "Father, I thank you for all the beauty in my life and for this food that was brought to me. Thank you for everyone you bring into my life to help me. Please bless them all in their lives and help them realize how much their time means to me. I know they have busy lives, but they have chosen to slow down and give some of that time to bring joy to me." Well, by the time Grace finished saying "grace," I was reduced to a puddle of tears right in the middle of her bedroom. She never knew I had overheard her prayer, and I never got the chance to thank her for taking the time to teach me a life lesson that I've never forgotten.

Life can get chaotic at times, and we often meet ourselves coming and going. Kids, work, activities…we try to cram so much living into each day. We feel compelled to fill our days with as much as possible, hoping that somehow it might bring us that small sliver of happiness we are so desperately seeking. But at the end of the day, all we feel is emptiness. But then life happens: a doctor's diagnosis, the loss of a loved one, a catastrophic event, and our world comes to a screeching halt. We are forced to reevaluate our priorities and look at what is truly important. Even the natural progression of aging causes us to slow down and make us think about what is truly important.

When David and I were first married, we went to Adventureland for the day. He had worked alongside his dad as a welder at the time, doing much of the iron work at the park. We strolled hand-in-hand, going from building to building in the town square. He pointed out the intricate wrought iron work, replaying the memories of each twist and bend in his mind. He told me stories about how each of these pieces came to be as we ran our hands up and down each project, and I was amazed at the creativity of my new husband. I knew it was difficult for him to relive some of these memories because his dad had died just a few years previously of a massive heart attack while they were working side-by-side on another welding project. That was when David's busy world came to a screeching halt. But the excitement of the park for young newlyweds soon took over, and he wanted to show me the work that they had done on some of the rides. We came to the Tornado roller coaster, and as we climbed into the car and as the ride started, he began telling me about all the areas of this attraction they had built. Honestly, when you are plummeting down a steep hill, holding on for dear life, you simply cannot appreciate the complexities of iron work. You are simply hoping that the iron work will do its job and keep you firmly in place. Although I knew it meant the world to David to share this part of his life with me, I just couldn't appreciate it at the breakneck speed we were experiencing it.

We often remind ourselves of this at Jesus' Right Hand. Things get chaotic during the Fresh Food Giveaway on Monday afternoons, and even more now since the number of people coming to us keeps increasing. We are now regularly helping almost 70 families (not individuals, but families) every Monday in what originally was supposed to be a two-hour time frame. Even though things are always busy at that time, we try to slow down long enough to really have some meaningful time with the people who come in. In many situations, we find that the greatest gift that we can give some people is our time. Their lives have come to a screeching halt by heartache of some kind, and we need to slow down to their pace long enough to demonstrate the love and grace of God to begin their healing journey. We have the free will to choose the priorities in our lives during this same 24-hour time period God has given to everyone. Will we choose to hurry to the destination, or will we choose to enjoy the journey and be a light to those around us? In the words of 96-year-old Grace, "Please bless them all in their lives and help them realize how much their time means to me. I know they have busy lives, but they have chosen to slow down and give some of that time to bring joy to me." We hope that we continue to encourage you with our time and presence here at the ministry. We are here for you with prayer, hope and yes…time. Be encouraged with these words.

In His Service & Love,
Jesus' Right Hand

When Headstones Talk

Saturday, August 27th • 5:30-8:00 pm

Sunday, August 28th • 2:00-4:30 pm

Hear Indianola Cemetery residents talk about their lives and demise as portrayed by live actors. Learn about the artistry and symbolism of ornate and beautifully engraved headstones and family monuments.

The Indianola Cemetery is located 0.6 mile south of Hwy 92 on Jefferson Highway (65/69). The event is free, although donations are encouraged to repair and resurrect old and fallen gravestones.

When Headstones Talk is sponsored by the Indianola Independent Order of Odd Fellows (IOOF) with support by the Warren County Historical Society & Museum, and Indianola Parks & Recreation.

Our Past is Worth Remembering – Come Listen, Learn, and Be Amazed

The Virginia Boosters 4-H Club held their July 13 meeting at 7:00 PM at the Lions Hall in New Virginia.
Brady Streeter called the meeting to order at 7:00. Roll call was 'What is your favorite place to visit on vacation?' Macy Nelson gave the Secretary's report and Mackie Loomis read the Treasurer's report.

The old business for this month was discussing the silent auction basket. They decided on a water theme for their basket/beach bag. The bag will be auctioned off during the Warren County Fair in the 4-H building. They voted to reimburse Brenda Streeter for the pizza at the last meeting. They, also, received an update from the booth decorating committee and everyone was reminded to send in their baby pictures for the booth.

The review of the monthly county newsletter began the new business, sparking conversation about upcoming dates. Pullorum testing (10-12 on July 16), fair cleanup (July 18), drug affidavit forms, family night at the fair (July 31, 7-9 p.m.), booth decorating day (July 21), static project judging (July 23 8 a.m.), pre-fair picnic (July 23 6 p.m.), and their time for hosting the exhibit building (July 28, 7-9 p.m.) were discussed. They ended the new business with a reminder that there is no August meeting and a farewell to their three seniors.

The club seniors, Abby Fantz, Hanna Bedwell, and Macy Nelson, led the 4-H Pledge. Abby Fantz made a motion to adjourn the meeting and Macy Nelson seconded.

The presentation given this month was by Hanna and Keifer Bedwell. They talked about their brand-new puppy, Archie. The host for this meeting was Brady Streeter.

The next meeting is on September 14 at 7:00 PM. starting the new 4-H year.
Have a good day, month, and life! Abby out.

The Virginia Boosters 4-H Club would like to thank the graduating seniors, Hanna Bedwell, Abby Fantz, and Macy Nelson for being some of the best members! They have always been willing to participate, organize, and help run the club. They are all true examples of 4-H and we are proud they were Virginia Boosters. Good luck at the fair and in the future. Always remember what 4-H has taught you.
